Principal's Message

Lakeview Elementary School Mission Statement

The mission of Lakeview Elementary School is to inspire all students to be passionate, continuous learners and to prepare them with the skills to achieve their goals and flourish as responsible, caring citizens in a global community.

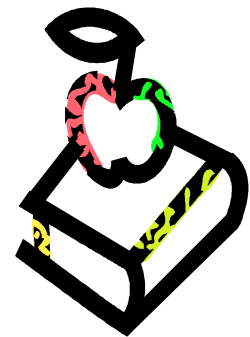

We are excited to be welcoming our returning students and families and our growing community of new families. Back-to-School-Night was well attended and informative. At the forefront of many teacher presentations was the addition of the new Promethean ActivBoards in grades 2-5. Thanks to the PTO's fundraising efforts and to all of the parents who supported these efforts, we were able to begin the year with a total of 16 (one more is on the way) of the interactive boards. This technology will help provide the student engagement and dynamic teachable moments that will enhance learning at Lakeview. We are looking forward to bringing the same technology for 1st grade and kindergarten as well.

Many other exciting activities are in store for the

students. Cross Country has begun and basketball try-outs are just around the corner. Square dancing instruction begins on September 3 and will end with grade-level performances at the Fall Festival on October 10th. The after school enrichment begins this month. Watch for the flyer announcing enrollment in the program currently being developed by our PTO.

Remember we strive for a strong home and school partnership. Let's keep the communication open and flowing as we are all working for the very best for the children. Have a great year!

Keeping the Flow of Instruction

In order to assure the best environment for learning we are very protective of instructional time. This means that we must ask that we minimize interruptions during class time.

Please make every effort to arrange plans with your child before he/she leaves for school. Parent requests for messages, to be given to students during school hours, can have a negative impact on a children's focus for learning.

From Food Services

Remember to use the easy, convenient website www.mynutikids.com to make payments and/or review your child's account balance. All you need is to register with your child's 7-digit permanent ID#.

Sign in please

Visitors and volunteers, for safety and security reasons, please sign in at the office before going to a classroom, library, lunch room or playground. Our School Safety Plan requires that we know of every person on our campus, no matter how frequently you visit. In case of any emergency, we need to account for everyone's whereabouts.

Parking at Lakeview

Reminders:

The designated handicapped parking spaces are to remain open for those displaying the appropriate placard only. Using one of these spaces, even as a drop off area, has prevented persons who have a need for these spaces from being able to have access to Lakeview.

Convenience is not a valid reason for using one of these spaces. Please respect the rights of others.

In the parking lot in front of the office please notice that one space is reserved for the Walker family. They paid for this space at last spring's gala event.

District Website

Visit the district website, www.rescue.k12.ca.us for current district updates.

Lakeview's Website www.lakevieweagles.org has been updated again this year. Thank you to Courtenay Jory for her work last year. The baton has been passed to Anupama Shojaei. Notice the information that has been added to the website and watch for more to come

We have SPIRIT

Fridays are school spirit days. This year we have a spirit team as well. Thank you to Mrs. Terry and Mrs. Walker for bringing this fun idea to Lakeview. The spirit team, made up of enthusiastic fifth graders, helps kick off fun Friday mornings in the amphitheater. The students and staff are encouraged to wear school colors or spirit wear. Come join the fun!

Thank you!

Thank you to Cole and Wendy Klokkevold for the generous donation of office supplies to Lakeview. We are sincerely grateful to you.
